

4A's Logo Usage Guidelines

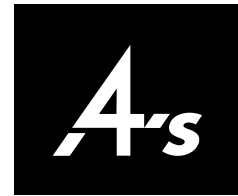

Preferred

One-Color Option

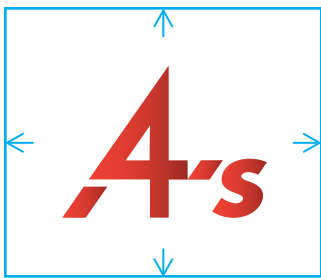

Knockout Option

Whenever possible please use the 4A's Red logo on white. If your design requires it, you may use either an all white or an all black version of the logo.

Clear Space Area

Space equal to the height of the s in the 4A's logo should remain free of any graphic elements on all four sides

Minimum Size

4A's logo should never appear smaller than .25 inches in height.

Do Not

Do not use the 4A's Red version with any color other than white.
Do not use the 4A's logo in any color other than 4A's Red, black, or white.
Do not stretch, rotate or distort the 4A's logo.
